High & Mighty Beer Co. is donating profits from the sale of this warming winter ale to Iraq and Afghanistan Veterans of America. Enjoy a great beer and contribute to an even better cause while you're at it!

Home for the Holidays is an unfiltered brown ale, fermented with a Trappist Ale yeast and very subtly oak-aged. Its malty notes of chocolate and raisin are balanced by a delicate hint of spice and dry finish from the oak. Alcohol by volume is 7.2%.

Brewed and bottled by High & Mighty Beer Company, Holyoke MA.
